She's called *Cosmopolitan* for a reason.  
Our new shade deserved a drink to  
match—and now you've got both.

### *Cosmopolitan Recipe*

1.5 oz vodka (or sparkling water  
for alcohol-free)

1 oz cranberry juice

0.5 oz triple sec (or orange juice)

0.5 oz fresh lime juice

Shake it up, pour it into your new  
martini glass, garnish with a lime  
twist - and sip under the stars.

### *Cat Eye Mani Recipe*

Start with prepped nails

Shake your polish, apply a thin  
coat & cure.

Apply a second coat, then hold  
the magnet over the nail before  
curing - watch the shimmer shift!

(Pro tip: Scan the QR for design  
tricks!)

Once set, don't move the  
magnet. Cure & done!
